

FURTHER UP AND FURTHER IN

Brian E. Schrag

No, the world's not ending, it's just begun

A^b E^b/G B^b/G
We're leaving behind the dead, heading for the sun

A^b E^b/G B^b/G
Where the air is clear, the water's cool

The mountains fill the sky

A^b E^b/G B^b/G
Where red is redder and blue is bluer

I feel like I can fly

Further up and further in

Further up and further in

Looking forward to each new day
every one better than the one before
Each color deeper, each smell sweeter
And I know that there's so much more
This is the land I've been looking for all my life long
I've finally found it, and I'm going home

Further up and further in
Further up and further in

Further up and further in

I'm going West to see the King

E^b D^b/E^b A^b/E^b
See Him in His power and glory

This is it: the Final Story (repeat)
