

"Waiting for me"
Brian Schrag
May 2005, Acts 17:16-31

1. D11? Bm/D D11? Bm/D
Paul went up to the philosopher's club, to look for some way to connect
He found worshipers turned the wrong way, but they didn't begin to suspect
He said, "The unknown God you worship, I now show Him to You.
He's always been your father, in a way these idols can never be true"

 E^{7b9} A7
Father, no one's far from you
E^{7b9} A7
But who's gonna help them, O Lord, send me

Chorus

 Dm7 A7
Where you lead me, I'll follow
 G7 Dm7
When you call me, I'll go
 Dm7 A7
Someone needs to reach out and touch your powerful hand
 G7 A7
And they're waiting for me

2. I know a man by sight but not by heart
I shake his hand and smile and keep on walking by, that's all my part
If he lives and moves and has his being in you, Lord
Why can't he see, hear, and touch you, Lord?

 E^{7b9} A7
Father, no one's far from you
E^{7b9} A7
But who's gonna help them, O Lord, send me

Chorus
