

# **Your Beauty's In Christ**

for Nadia and Chris

You're not the one for me, you're not the one I see  
standing there  
Gleaming like royalty, but restless inside  
with the shadows of fear

But I see right through you, to the new you  
No matter what veils you place or I pose

I will not be me  
You will not be you  
I choose to see Christ in you when you seem princess or frog  
Your beauty's in Christ

Years will flow by and emotions run dry and  
I won't want to try  
Armor will rust and your diadem dim,  
and my heart may forget the joy

But I'll look right through you, to the new you  
No matter how wrinkled or worn you become

I will not be me  
You will not be you  
It's when I see Christ in you that my heart beats one with yours  
Your beauty's in Christ
